		Yes	Mainly yes	Somehow yes	Mo	
<b>1</b>	<b>General</b>					
	The selected class rooms (size, location, noise, ...)were very suitable.					
	Die technical equipment (media, technique, props) was very good.					
	The time frame for the workshop (date, day time, length) was appropriate.					
	The group size was appropriate.					
<b>2</b>	<b>Action</b>					
	I will be able to apply the newly acquired knowledge and skills.					
	The newly acquired knowledge and skills will be very useful in my working context .					
	Over all, this workshop increased my knowledge and skills substantially.					
<b>3</b>	<b>Interaction – Do you feel you are now empowered to ...</b>					
	...perceive the need for mutual cooperation between the other health care professions more precisely?					
	...initiate adequate measures to change behaviour and attitude ?					
	...perceive your effect on others more profoundly?					
	...better understand the effect of others on your own perceptions?					
<b>4</b>	<b>Kommunication – Do you feel you are now empowered to ...</b>	<b>Yes</b>	<b>Mainly yes</b>	<b>Soemhow yes</b>	<b>No</b>	<b>Comment</b>
	...identify the signs of good communication?					
	...identify signs of miscommunication?					
	...identify interprofessional conflict situations?					
	...Ihr eigenes Verhalten auf interprofessionelle Problemsituationen auszurichten?					

5	Occupational knowledge	Very helpful	Helpful	Not so helpful	unneeded	Comment
